**1** From the pub, turn immediately left into Grovely Road. Follow lane for 300 yards and walk under railway bridge.

**2** Continue ahead gently uphill between hedges for 800 yards and lane bends to left. 120 yards ahead it bends right then, 50 yards on, curves left and gradient increases.

After 40 yards, tarmac ends so continue ahead on made up track for 300 yards. Pass two large tanks to right, walk for 30 yards and bear right (see assist).

**A** Pass metal barrier and follow path gently uphill. 160 yards ahead, pass under twin power cables. Follow path between fields for 400 yards then pass hawthorn hedges for 250 yards and enter woods.

After 60 yards, path heads gently downhill then 60 yards ahead, heads uphill. Walk for 280 yards and turn left at T junction **B** (see assist). Follow track through trees (may be soft underfoot).

After 170 yards, track heads gently downhill. Continue for 140 yards and it opens out to right. **3** Walk downhill with trees to left for 100 yards then continue at 1 o'clock on flint path between fields.

**C** 300 yards ahead, exit field, turn left on to track for 10 yards then bear right (see assist). Follow narrow path for 60 yards and pass under power cables.

Continue gently uphill with hedge to left and field to right for 300 yards. Path levels out for 80 yards then heads gently downhill between hedges.

**D** Follow for 600 yards and bear right on to narrow tarmac track (see assist). After 40 yards continue downhill on road past houses towards railway bridge 170 yards ahead.

Pass under bridge and continue for 75 yards down to the T junction. Turn left and head along pavement past houses to left.

260 yards ahead, pass **4** Mill House to right. Continue for 380 yards and pass St Martin's church to right. **5**

Stay on the pavement for 70 yards and you're back at the Barford Inn for some well deserved hospitality!
