

Public House Walks

The New Inn SALISBURY

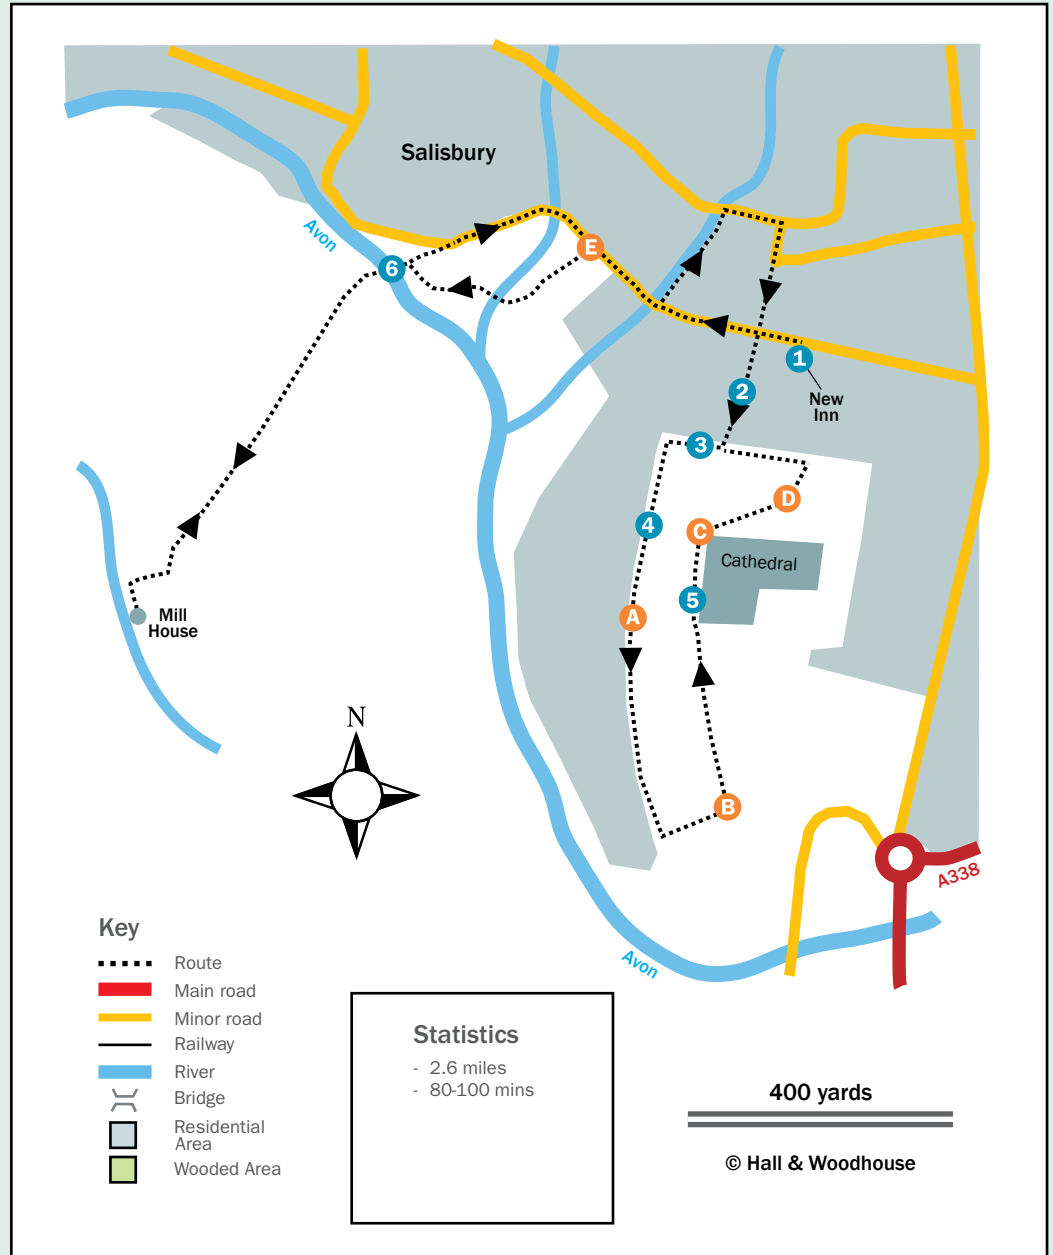

"A fascinating walk around some of the historic landmarks of this famous city. Much to see and enjoy including Cathedral Close the Avon and old Mill House."

2.6 miles

New Street, Salisbury, Wiltshire SP1 2PH

01722 326662

- 1 From the pub, turn left and head along pavement for 80 yards. Turn left into High Street and walk through old city gate ahead.
- 2

Continue for 50 yards, pass phone box and turn right into Cathedral Close. Walk with green to left,

- 3 pass Mompesson House to right then turn left 35 yards ahead.

Walk with green to left for 60 yards and pass the Rifles Museum to right.

- 4 Continue past Arundells (Edward Heath's house) and, 150 yards ahead, pass Salisbury and South Wiltshire Museum to right.

- A Continue straight ahead ignoring turn to left (see assist). 270 yards ahead, road bends to left past South Canonry. Walk past car park to right then, with old city gate ahead, turn
- B left (see assist).

Head along tarmac path past yew trees and benches to right. 250 yards ahead, pass barrier back into Cathedral Close and walk ahead past

- 5 Salisbury Cathedral.

- Bear right immediately past cathedral and follow
- C diagonal path (see assist). After 110 yards, bear left at 10 o'clock on to narrow
 - D path (see assist).

Walk for 40 yards, turn left and walk along road past historic houses to right. After 120 yards, pass post box, turn right and head along pavement.

Pass back through city gate and 60 yards ahead, turn left at traffic lights into Crane Street. Follow pavement for 160 yards and cross river. Continue for 100 yards.

- E As park appears to left, turn left past bollards (see assist) and follow gravel path passing car park to left. Ahead, bear right on to tarmac path and pass play area to left.

- 6 Continue over bridge and follow path round through park for 150 yards. Bear left across bridge over river Avon and follow tarmac path/ cycleway through ancient water meadows. 330 yards on, cross small bridge and continue for 200 yards.

Follow path round to right for 60 yards and cross bridge over weir. Continue up to the Old Mill with weir to left.

Return retracing your steps back along the path/ cycleway for 600 yards and cross footbridge over Avon. Continue straight ahead on to pavement past park to right.

Walk for 120 yards, cross bridge and continue on pavement for 170 yards. Cross road then bridge and turn left. Follow path with river to left for 170 yards.

At road ahead, turn right, head along pavement for 90 yards and turn right into High Street. Walk ahead on pavement for 50 yards then through pedestrian precinct for 100 yards and turn left into New Street.

It's just 80 yards back to the New Inn for some much deserved hospitality!
