- 1 From the Silver Plough, turn left and left again into The Green and follow lane for 500 yards, bearing right uphill on to bridleway (see assist).
- A
- 2 After 200 yards the path meets a double track. Turn right and head uphill under trees for 400 yards when path meets open downland. Continue ahead on grass track with hedge to right. In the distance you can see the church at West Winterslow at 11 o'clock. After 800 yards walk through gap in the hedge and turn left on to track passing a corrugated barn on the right.
- 3

Track heads gently downhill for 400 yards. Bear right and continue on tree lined track for 250 yards. With corrugated barn to left and sign

- B to right, turn right (see assist). Walk for 100 yards, pass through metal gate and turn right, keeping to right edge of field.

Head gently uphill and after 500 yards, the track levels out, curves right and then left after 100 yards. Continue downhill straight ahead between fields for 200 yards

- C passing under telephone lines. 120 yards on bear left at 10 o'clock on lightly defined path (see assist). Please note that dogs must be kept on a lead from points C to E during the shooting season. Cross the field aiming to right of the main tree line.

- 4 Pass through gap and into field ahead, turn left and walk along left edge with trees to left. After 250 yards, as the field curves left, head across (see assist) and walk for 150 yards. With trees now to your right, walk ahead for 50 yards and bear right through trees at the arrow post into next field. Turn left and pass through gap in the trees 20 yards ahead.

Continue along right edge with trees on right to field corner 250 yards on. Bear right on grass path through to next field and turn left following left edge. After 300 yards, path bends left between two fields. Walk ahead toward the woods, passing to left of metal gate on to woodland track.

After 500 yards and before the track curves

- E left, there's an arrow post on the right (see assist). Turn right at 5 o'clock and head uphill on the grass track. Continue for 600 yards and cross stile ahead as you emerge from the woods.

Walk ahead following path through a narrow coppice (with some nettle patches) for 300 yards. Continue ahead on grass track to right edge of field, crossing stile to left of metal gate after 400 yards. Walk straight along left edge of field, past paddock on the left.

Cross stile, heading over field at 1 o'clock to second stile. Cross and head sharply downhill for 200 yards. Turn left on to lane and retrace your steps back to the pub.
