1 From front of the pub, turn immediately to right and walk into Wool Lane past bollards. Pass delightful old houses for 100 yards and turn left at T junction. Continue along pavement for 120 yards and turn right past timber framed buildings into South Street.

Head gently downhill along pavement for 130 yards and cross road just before large pond on right. Walk along The Wharf and 80 yards on, continue ahead past small industrial units **A** (see assist).

After 150 yards, stream appears to right. Continue for 60 yards and turn **2** right over bridge. Walk past house and along grass track for 25 yards **B** then bear left at fork (see assist). Head uphill on path through trees.

Follow for 650 yards, pass through wood gate and continue ahead on path. 320 yards on, pass farm buildings and walk straight ahead on to lane. After 230 yards, lane heads downhill. At junction 100 yards ahead, pass stile

and continue over bridge for 30 yards. Turn right at bridleway sign (see assist) **C** and follow track (may be soft underfoot).

Continue uphill through trees for 130 yards and track opens up to left. Follow gently uphill past bracken and trees to right for 200 yards.

Enter trees and head downhill for 90 yards. Follow track as it bends to left and walk gently uphill (may be soft underfoot). After 90 yards, track heads downhill and bends to right.

100 yards ahead, turn **3** right before open field at arrow marker (see assist) **D** and follow wooded path steadily uphill minding the tree roots. After 125 yards, path heads downhill through gully (may be a watercourse at times).

120 yards on, path bends to right then down to gravel track. Turn right and follow past delightful houses and gardens for 150 yards, cross stream and continue for 60 yards to road junction. Cross

E over (see assist) and walk steadily uphill along tree lined lane.

After 450 yards, pass farm buildings to right, and bear right past

F footpath sign (see assist). Follow path for 70 yards, pass through metal kissing gate and continue downhill along left edge of field.

380 yards ahead, walk into next field and follow left edge. 70 yards on, pass through metal kissing gate and continue downhill through trees for 40 yards. Pass house to right and cross bridge.

You can choose to turn left and retrace your steps back to the pub or continue straight ahead for 50 yards then turn right on to track. Follow through trees with river **4** Rother to right.

250 yards ahead, pass through wood kissing gate, turn left and head along right edge of field with river to right. 130 **5** yards on with Cowdray Castle to right, turn left and follow path across

meadows for 420 yards. Pass through wood gate and continue up to road ahead. Turn left and follow pavement for 320 yards through Midhurst back to the Wheatsheaf for some well deserved hospitality!
