**1** From car park entrance, cross road with care, turn left and head along pavement with low stone wall to right.

150 yards ahead, turn right into School Lane. Follow gently downhill past cottages. After 400 yards, lane crosses stream then heads uphill. Pass school to left and continue for 320 yards.

At junction, bear to right of island signpost and head along lane to right of house (see assist). **A** 100 yards on, lane becomes a track. Pass barn to left and follow between hedges for 280 yards.

Turn left through 5 bar gate then wood gate. Follow arrow marker diagonally across field **B** for 80 yards (see assist). Walk between buildings then, 40 yards on, pass through wood gate.

Turn right, walk along road with care for 25 yards, cross and head down grass track with stream to right (may be soft underfoot). 120 yards ahead, stream cuts

across. Continue ahead between trees for 300 yards and turn left through gate before track ends.

Follow right edge for 35 yards then turn right through metal 5 bar gate into next field. Follow right edge for 120 yards down to field corner. Pass through sliding metal gate and turn right.

Cross stile ahead (may be soft underfoot) then turn left, cross second double stile (see assist). **C** Follow arrow marker downhill **2** across field at 11.30 for 220 yards to field corner.

Cross double stile, turn right and pass through metal 5 bar gate. Bear left into field and follow left edge for 90 yards. Bear left across single sleeper footbridge.

Walk ahead just left of footbridge line for 50 yards, turn left and pass through wood gate. **3** Follow delightful path uphill with stream to right. 200 yards on, walk between wood posts and continue along **D** gravel track (see assist).

Pass farm buildings to right and continue on track for 250 yards. Cross straight over track intersection and follow lane past works buildings and car park to right.

**E** Continue ahead for 300 yards, cross road with care at 1 o'clock (see assist) and follow lane between stone walls. After 100 yards, walk past car park and garages to right. Continue straight ahead on path for 250 yards then pass between metal barriers. Follow gently downhill for 120 yards, cross stream and walk up to road 40 yards ahead.

Turn left, cross road and follow uphill for 120 yards (no pavement). Cross back over with care and head down Wreath Green. 150 yards on, with Lane End to left, bear right on to path and walk up steps.

**F** Cross over road and follow tarmac path for 30 yards. Walk on to gravel then turn sharp right. Cross stream, turn left and head uphill with stream to left (see assist). 200 yards on, turn right on to lane

**4** and retrace steps. Follow for 200 yards then, with church ahead, turn left.

It's just 150 yards back to the pub. Cross road with care and enjoy some well earned hospitality!
